

Otorohanga College

Ko te mana mō mua i te whakamana ~ Honour before honours

Newsletter Issue #67

Friday 6 July 2018

Term 3 Week 1

2018 Otorohanga College Senior Ball

Venue: Otorohanga Club

Date: 10 August 2018

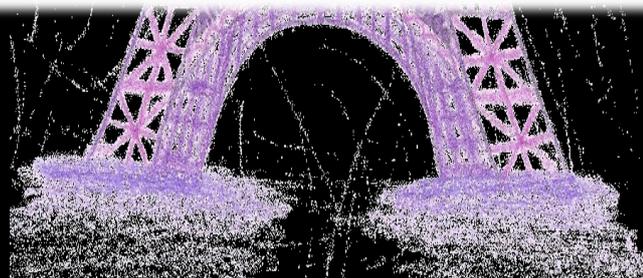

Time: 7—12pm

L'Amour

This years theme:

Midnight in Paris

*Kia hora te marino
Kia whakapapa pounamu te moana
Kia tere kārohirohi i mua i tō huarahi*

*May the calm be widespread
May the surface of the ocean
glisten like greenstone
And may the shimmer of summer
Dance across your path forever*

These words come from this area (Rangawhenua C1880).

Something nice to say and think about as you start a meeting, start your day, start a letter, start an email, start a text message, or like I have used it to start a piece of writing.

Kia ora e te whānau whānui,

Welcome to the business end of the school year. As we embed all the learning that has happened thus far in 2018. There is excitement brewing from students and staff as the pressure comes on in preparation for assessment including practise examinations.

You could debate that this is the bread and butter for the college in our journey together to be the exceptional college. However, what remains is that this is our measure by our community on how well we are doing, remembering again that

**Mr Lindsay Dunn
Principal / Tumuaki**

this is but a small part of our core business. I wish all students and staff all the very best in these endeavours.

We are all anticipating in excitement the school ball for 2018 with the biggest change in that it is being held at the Ōtorohanga Workingman's Club. Ōtorohanga College would like to take this opportunity to thank one and all for the tremendous support that we have received for our ball committee. Our expectation is that the Ōtorohanga College 2018 ball will be fantastic and fabulous in all facets and we look forward to seeing as many of our whanau there on the night to support this important event.

Finally, we have recently had our

Nō reira,

KO TE MANA MŌ MUA I TE WHAKAMANA, Honour before honours,
Tēnā koutou, tēnā koutou, huri noa, huri noa, tēnā mauriora tātau katoa

Education Review Office (ERO) visit. This event is part of our longitudinal review. ERO will furnish the College with their findings in a draft report in 6 to 8 weeks time. This is an opportunity for the Board of Trustees (BOT) to discuss the draft and to collaborate with ERO prior to the confirmed report being published.

We are all looking forward to the warmer weather and smiles it will create around our community.

BOT Chairperson

Kia ora students and families

Only three weeks until spring springs! I hope that all of our farming families are staying well and safe over this frantic period on the farm. It was touch and go in all the rain a couple of weeks ago; running after cows and calves in a muddy paddock in wet weather gear isn't all that conducive to staying upright it seems!

Education Review Office

The Education Review Office visited Ōtorohanga College in week 1 of term 3. The focus of the review was based on improvements in our college since our last review. Upon the Board's request the review also included a critique of behaviour management and Health and Safety systems.

Last year the Businesses | Community forums provided the Board with feedback which we have been unpacking over the last 12 months. ERO was very interested in the successful outcomes of this consultation which have included:

- gaining a stronger stakeholder voice from staff, students and community
- an invigorated careers department proposed for 2019
- Partners' Programme advertorials twice per term which celebrates our successes and promotes our school
- a focus on behaviour management, and,
- continuing to lift the profile of vocational and trades-based careers

The report will be available towards the end of term 3 and the Board looks forward to using the findings to continue to put stronger systems in place for our students and community.

Strategic Governance

One of the key roles of a Board of Trustees, apart from ensuring that every child reaches their full potential, is to oversee and protect the school's vision, mission and values. This was a major feature of our forums last year where we asked our community to provide us with feedback on some pretty big picture and visionary stuff! As a result, as a Board we have been working to refine our Vision Statement, Strategic Direction and College Branding. We have developed some snappy statements around these areas that will use the definition of 'Ōtorohanga' as a solid foundation. We will be consulting with stakeholder groups over terms 3 and 4 regarding these exciting concepts that are aimed at delivering the best we can for our young peoples' journey through life.

Curious about Governance?

For many, what Boards undertake can often be a mysterious thing. For trustees, it can sometimes take years to fully come to grips with their role as stewards of a school. For me, pennies only started dropping in my third year as a trustee at another school. Stewardship is complex; it involves balancing achievement, accountability, property, finance, health and safety, policy direction, consultation and many other areas. However, despite these complexities decision making is very easy when the needs, rights and interests of our young people are at the heart of all our decisions. Like any team we learn and grow together; learning through mistakes, challenges and successes. If you'd like to know more about what governance involves, look at www.govttalks.co.nz which covers off a raft of areas that Boards are responsible for.

Ngā mihi nui

Board of Trustees Chairperson

On behalf of the Board: Lindsay Dunn, Ashlee Hawkes-Board, Maree Bublitz, Brenton Irwin, Anthea Tata, Paul Singh, Chris van der Heyden and Keith Edwards

Waikato Young Leaders' Day

Young leaders' day was a fun experience, I learnt the qualities of being a leader. At young leaders day there were many inspirational speakers, from a police officer to a DJ to head boys and girls of many schools, all were extremely inspiring and people to look up to. My favourite speakers were the head boys and girls because they talked about just being you and leading with pride and courage and to never give up, they said that never compare yourself to other leaders just do what you do best. Be Yourself. A leader is someone who is encouraging someone and who never gives up even if something is tough. A leader for me is helpful and kind as well as enthusiastic. The 2018 Young Leaders day was an awesome experience where you get to learn the qualities of being a leader as well as meeting new people and trying loads of new things.

Olivia Kurth

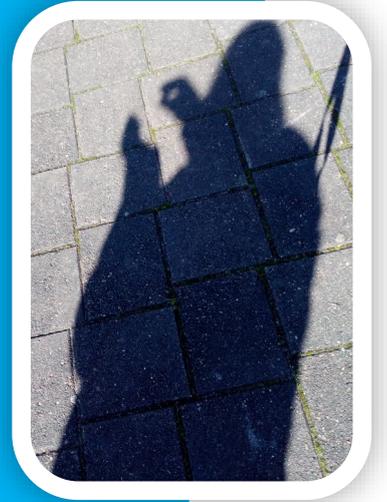

Young leaders' day 2018 was a fun and cool experience. We learnt about how to be a good leader and the qualities of being a leader. We got to listen to speakers from a DJ to a police officer and lots of head boys and girls from around New Zealand. For me a leader is someone who never gives up and always finds the positives in a situation.

Hamish Raine

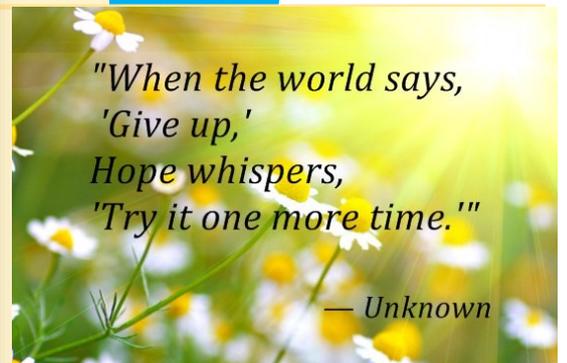

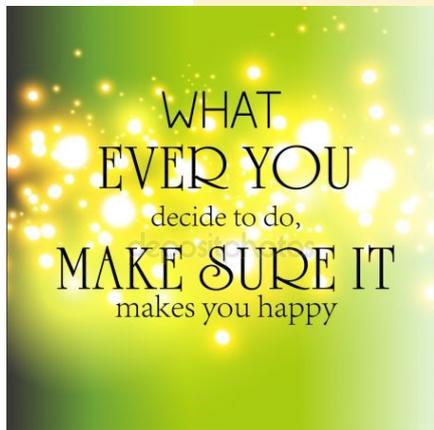

A Leader is one who knows
the way, goes the way and
shows the way

tasted like cheese.**

Bless her !!!!!

St Johns Cadet

Congratulations to Jodie Oliver, Daniel Court and ex-student Laurissa Venter for achieving the highest Cadet award for St John's. These students are all members of Ōtorohanga St John's

Grand Prior Award

The Grand Prior Award is the ultimate Award for St John Cadets to obtain. The Award is revised every year and is one of the best educational youth programmes in New Zealand. Learning objectives are built on the New Zealand Education Curriculum to ensure that cadets are given an edge outside of school and that we don't overlap what is done in the classroom.

The main curriculum of the cadet programme is the Grand Prior's Award where cadets set goals and achieve in a variety of areas. There are 27 subjects available, 6 of them are compulsory.

The programme provides many topics for cadets to choose from. Although the award is a **real challenge**, its super rewarding and is something all our young people aspire to obtain.

Presentation of the award is very special. As the highest award, other than for bravery, St John can bestow on its Cadets, our young people have the option to travel to Government House and participate in a ceremony where the Grand Prior badge and parchment is presented by the Prior of St John in New Zealand, The Governor General. How cool is that!

Have You Paid Your NCEA Fee? \$76.70 or \$20 with a Community Services Card

There is a standard annual fee which students must pay to have their results recorded on their New Zealand Record Of Achievement and for the awarding of qualifications.

The fee is collected by the College and forwarded to NZQA.

SPORTS CORNER

Netball

The College fielded seven netball teams this year in the competition run by the Ōtorohanga Netball Centre. Teams were graded with College A and B playing in the A Grade with College Senior, College Maroon, College Gold, College Junior Development and College Junior Reserves in the B Grade. The season ran for 9 weeks and ended on the first Saturday of the holidays.

All teams had a mix of wins and losses during the season. However, one team made the finals of the B Grade. College Senior played a challenging final against OSC Bailey Ingham. College Senior lost by one goal to OSC. Well done girls.

At present five teams are competing in the Middle Waipa/King Country League along with teams from Te Kuiti, Te Awamutu, Piopio and Taumarunui. This is an initiative that was put in place three years ago. Initially it was only for two teams from each centre, however, this year the Centre took it under their wing and organised it in Ōtorohanga. It is disappointing we could not enter all seven teams, but they could not be fitted in the draw.

Congratulations to the following people who were awarded trophies at the Centre Prizegiving.

College Senior - Runner up in the B Grade

Leanne Hofer-Nigg - most improved College player

College A won the A Grade goaling cup.

College A and B - Uniform Trophy

In the Friday Night Pre-Season League College B were the B Grade Winners.

College A are presently playing in the Monday Night Pre-UNISS league in Hamilton in preparation for Tournament Week in the first week in September.

Thanks to all the players, coaches, managers, umpires, parents, caregivers and supporters who have given up their time for netball this season. We look forward to seeing you return in 2019.

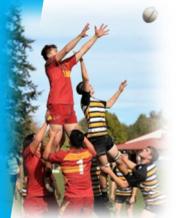

Sports Corner

Rugby

The 1st XV's 26-21 win over St Pauls on Saturday was one of their best team performances of the season.

The boys were able to bounce back from the disappointing 19-17 loss against Putaruru the previous week, to put in a much better disciplined and composed performance.

In a great team effort, Ōtorohanga College started perfectly scoring from a set piece move they have practiced all year. Clinton Uerata was on the end of a well timed pass from Dion Pye to score in the corner. Hard running second five Karne Barlow scored two good tries. His first came when he caught the defense napping on a penalty. He crashed over utilizing his deceptive power. With momentum sliding back towards St Paul's, Kiani Kopua Hughes intercepted during a St Paul's back move and scored.

As always St Paul's never give up and keep on coming. They capitalized on some

tiring bodies to score two late tries. The game was however put out of reach by Kopua-Hughes

second intercept, this time he was caught, but was able to offload to Barlow who dotted down for his second. A pleasing performance was then complete from the boys.

Skiing

Ōtorohanga College Skiers and Snowboarders were treated to an awesome day at Whakapapa Ski field (Mount Ruapehu) on Monday.

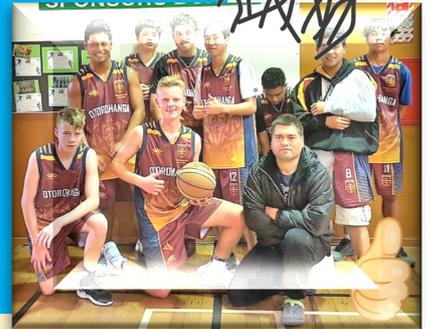

Participants used the opportunity to build on their current skill level with a number of them hoping to compete at the upcoming Wai-kato Secondary Schools ski and snowboard competition.

It was incredibly pleasing seeing students gain confidence and progress as well as develop mountain awareness. Snow coach Miss Hayes is looking at taking another trip soon targeting our beginners.

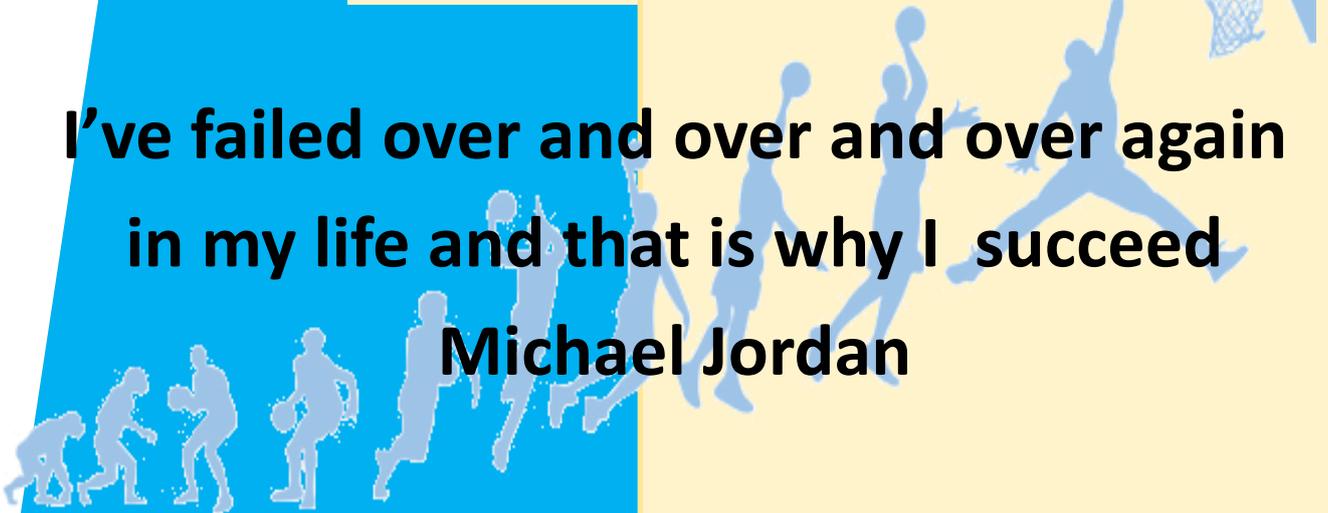

Basketball

CHAMPS!

Senior Practice Exams

Week 8, Wednesday 12th September to Friday 14th September

Week 9, Monday 17th September and Tuesday 18th September

Year 11, 12 and 13 students will be on Senior Practice Examination Leave from Wednesday 12th September to Tuesday 18th September. This means that Year 11, 12 and 13 students only attend school when they have a practice exam or a timetabled assessment.

Each practice exam or timetabled assessment must be attended. If, however, for an approved reason a student is absent from a practice exam or timetabled assessment they can apply to the Principal's Nominee for an extension.

Full school uniform **MUST** be worn when attending **ANY** exam session or timetabled assessment.

Examination Rules

Exam Materials

You are responsible for taking the correct equipment to the exam and making sure that it is working. You take your own equipment into the exam room in a clear plastic bag. You can take:

- pens - permissible colours are black and blue, pencils and an eraser
- an approved calculator for subjects where a calculator has been used during the year

Calculators must be silent, hand-held, non-printing and work from their own power. You cannot keep notes or routines in the calculator memory. Teachers will clear the calculator memory before you enter an exam room.

Emergency Evacuation And Student Pack

You are allowed to bring items for an emergency evacuation into the examination room in a clear, sealable plastic bag. This pack must stay under your chair and not be touched or opened without the permission of the supervisor. Contents **must include watches** and could include keys, money or medicines.

Banned Items

Do not bring the following items into the exam room:

- blank paper or refill paper
- correcting fluid
- books, written notes or electronic notes
- dictionaries

On The Day Of The Exam

You are to arrive at least twenty minutes before the exam starts. If you arrive more than 30 minutes after the exam has started you will not be able to sit the exam or enter the exam room.

In The Exam Room

You are to listen to and follow the instructions of the supervisor, sit at the desk where you are told to sit. You cannot leave in the first 45 minutes or the last 15 minutes of the examination. In the event of an emergency you will be evacuated to the car park at the front of the College.

During The Exam

You should not borrow equipment from someone else, not talk to, communicate with, or do anything to disturb other students and not read or copy another student's work.

Writing Answers

You should follow all the instructions on the front cover of the exam booklet, use only blue or black pen, not write in pencil - work in pencil will not be accepted if you apply for review or reconsideration, write neatly and cross out any work you do not want marked.

If you are absent from an External Examination at the end of the year for an approved reason it is the results from your Term Three examinations that will be used to apply for a Derived Grade.

NCEA

What Is A Derived Grade?

Derived grades are for exam candidates who, just before or during the examinations, suffer:

- a temporary illness
- trauma (a deeply distressing or disturbing experience) or misadventure (an event beyond their control)
- another serious event
OR
- have been selected for national representation in a sport or approved activity (This has a pre-approval process with a separate application form.)

The illness, trauma or event must have a clear and observable detrimental effect on the candidate's performance and/or attendance.

Candidates should sit the exam wherever possible.

Candidates who sit the examination but believe that their performance was significantly impaired by the illness, trauma or event, or were unable to sit the examination should apply for a derived grade.

What will not be considered?

The temporary illness, trauma or other serious event must be of a significant nature. Applications will not be granted on grounds such as:

- minor ailments (cough or cold)
- stress or anxiety due to having to sit examinations
- parents being on holiday
- day-to-day family disturbances
- death or euthanasia of a pet
- minor traffic incidents

What about long-term conditions?

The following conditions alone are not acceptable grounds for a derived grade application:

- long-term and ongoing illnesses and conditions (concussion, physical disability, anxiety, depression, epilepsy, anorexia nervosa and other eating disorders)
- chronic relapsing conditions (glandular fever)

HOWEVER

When there is a sudden change in a managed chronic condition/illness that is documented by a registered medical professional at the time of the examination and the candidate believes they are unable to perform on the day of the examination as well as they usually have, NZQA will consider an application.

The application process

Application forms can be requested at the Office and the College makes the application on behalf of the candidate through an online facility. The derived grade submitted to NZQA is based on authentic, standard-specific evidence that has been quality assured – **this is why it is vitally important that students sit the Term Three Practice Examinations.**

**The future belongs to those who believe in the beauty
of their dreams**

NCEA FEES

2018 NCEA Qualifications

There is a standard annual fee which students must pay to have their results recorded on their New Zealand Record Of Achievement and for the awarding of qualifications.

The fee is collected by the College and forwarded to NZQA. Fees are due by **Friday 7th September**. If the fee is not paid by this date a candidate will have to pay NZQA directly using the School Candidate Form – Payment Of NZQA Fees. You can get this form from the Office. After the 3rd December, NZQA will add a \$50.00 late fee.

How Much Does It Cost?

The following fee structure applies for 2018 (GST inclusive):

Entry for all NCEA standards	\$76.70
Entry for each New Zealand Scholarship Subject	\$30.00

Can I Get Help To Pay?

To be eligible to apply for financial assistance you must be the fee payer and able to meet at least one of the following criteria:

Be receiving a Work and Income or Study Link benefit (benefit-based applications).

Have a joint family income that would entitle the applicant to receive a Community Services Card from Work and Income (income-based applications).

Be a fee payer with two or more children who are candidates irrespective of family income, where the total fees you would have to pay would otherwise be more than the \$200 multiple candidate maximum.

How Do I Get Help To Pay?

To get financial assistance you have to fill in a Financial Assistance form and hand it in to the College Office. You can get this form from the Office.

FEES ARE DUE BY FRIDAY 7TH SEPTEMBER 2018

If you have any questions please do not hesitate to contact Mrs Kurth at the College.

Regional Mentoring Project

Ōtorohanga College is committed to individualising learning programmes to ensure student success. To this end, we have adopted the Ministry of Education's Regional Mentoring Project. This programme is aimed at supporting young Māori and Pasifika students, in a culturally responsive way, to achieve NCEA success. The focus is on "at risk" students who might otherwise leave school without NCEA Level 2.

In our pilot year, 20 at-risk students have been identified and matched with supportive mentors from our school and community. Together with his/her mentor, students have developed *Success Plans designed to map their progress towards a robust NCEA Level 2 qualification. Mentors and mentees meet with each other regularly, with a clear focus on meaningful academic and personal goals. They are working collaboratively to identify and remove any barriers to success. This term, mentors have been actively supporting students in a variety of ways. In addition to being a caring presence in the student's life, mentors have been prioritising academic success by working closely with their mentees, and their teachers, friends, families, whānau and communities. We look forward to sharing successes of this project later in the year.*

Course Selection For The Current Year 10, Year 11 And Year 12

Course Selection for 2019 will be done via the Parent Portal. Please refer to the Course Selection Booklets available on the Ōtorohanga College Website before finalising your selection. To access Course Selection, please follow the steps below:

- Enter the web address www.otocoll.school.nz
- Click on Parent Portal
- Enter Username and Password - if this is needed please contact Mrs Kurth on 078738029 or kurthl@otocoll.school.nz
- Click on Login
- Click on Course Selection from the left hand menu
- Use the drop down tabs to make course selection

Year 10 students are to choose six courses with a minimum of four that have a University Entrance pathway through to NCEA Level 3.

Year 11 students are to choose six courses with a minimum of four that have a University Entrance pathway through to NCEA Level 3.

Year 12 students are to choose five courses, if NCEA Level 2 has been gained, with a minimum of three that have a University Entrance pathway through to NCEA Level 3.

Please do not hesitate to contact any relevant course teachers, or Mrs Kurth, on the number above, if you have questions about course choices for next year. Whaanau teachers are also a good source of valuable information.

The closing date for course selection is Friday 3rd August.

New Enrolment-Based Measure Of NCEA Attainment

NZQA and the Ministry of Education have announced some changes to the way NCEA and University Entrance attainment is reported.

The changes provide a more precise picture of how attainment is reported. It will count all domestic students in years 11 to 13 aged less than 19 on 1 January, rather than taking a snapshot of students as at 1 July. It will also count up to three ethnicities students identify with, rather than limiting this to just one.

As a result, NZQA is expecting most schools will see a change in their attainment rates. It is a statistical adjustment that doesn't reflect school performance, teaching practice or an individual student's results.

"The key thing to remember is that whilst percentages for NCEA and University Entrance percentages may change, the amount of improvement in student attainment is similar and positive."

NZQA is consulting with schools in June and July on the way attainment is reported at a school level and will report back in September. The new measure will be used for reporting 2018 NCEA and University Entrance attainment statistics in January 2019.

Are you using the Parent Portal?

The Parent Portal enables you to track your child's progress in a number of ways including live attendance information and academic achievement.

Parents/caregivers are able to see the following data:

Parent and Community Evening

Venue: Ōtorohanga College library

Thursday 6th September, 6 pm – 7.30 pm

Online safety for parents and whānau is more important than ever. As young people begin to spend more time online, it's important that parents start to teach them how to stay safe. So, how do you get started?

This session will look at how parents and whānau can support and enable children and young people to navigate online opportunities, challenges and complexities.

This session will cover:

- ♦ How Netsafe supports young people, families, schools and their communities
- ♦ Some of the opportunities and challenges young people and their parents/ whānau face online (including sharing content, finding content, screentime, security, online bullying)
- ♦ What digital citizenship is and the blurring of lines between home and school, and online and offline
- ♦ The challenges for young people and parents/ whānau around privacy,

Attendance

It is a legal requirement that students attend school. Requests must be made in writing to the Whānau Teacher for any time out of school. At Ōtorohanga College we have a system where contact is made on the first day of absence by the Whānau Teacher to the family for an unexplained absence. You will also notice that we regularly send out text messages to families of students that have an unexplained absence. We ask that families / caregivers ring the College Office to explain if your child is sick each day.

In our student management system students will be marked absent and the code will be changed when contact has been made with the school.

For a student staying home sick the code is changed to a M, a medical certificate must be supplied after 3 days of Ms.

The code will be changed to a J for Justified absence if for example the bus breaks down, or there is an accident or a road closure or in extreme weather conditions that stops the student being at school.

It will change to an E for Explained absence, but not justified in the following cases: a student looking after their siblings for the day, a student took the day off for a haircut.

The Ministry of Education require us to code a family holiday during term time as G, this is not a justified absence.

Students who still have an unexplained absence on the second

day will be referred to the Dean. Students who have 3 days of unexplained absences will be referred to the Attendance Service.

Sickness

If a student becomes ill during the school day, the student reports to the front Office and every endeavour will be made to make contact with home. Students will not be allowed to go home without a caregiver being contacted.

Signing Out

If a student needs to leave College during the school day they will need to bring a signed note from home to the front Office to sign out. Students without notes are not permitted to leave the school grounds. Students may apply for a lunch pass; if approved this allows students to go to their family home for lunch during lunchtime. The student will be issued with a laminated lunch pass which you must carry on you when leaving at lunchtime. A lunch pass still requires you to sign out each day although you do not need to bring a note every day. Please see Mrs Russell if you think you may need a lunch pass.

Did you know?

For absentee students...

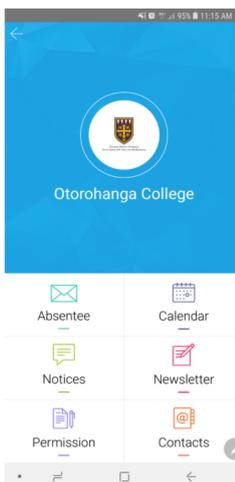

You can tell us your child will be away by:

- ♦ Using the **Skool Loop NZ** App
- ♦ Using the absentee form on our school website (Smart phone friendly)
