Otorohanga College

Newsletter 1

Term 1 Week 2

Friday 13th February

Congratulations to these seven students who gained Excellence Endorsements in NCEA Level One and Two in 2014.

Above Left to Right: Cassandra Morgenthaler, Rhiannon Magee, Kate Russell, Alex Bell, Leah Bell, Anna Connolly, Molly Groube

Below Left to Right: Chey Willison (Falloon House Hostel Leader), Tira Porima (Falloon House Hostel Leader), Casey Toa (BOT Student Rep), Thomas Anglesey (Sports Council Student Rep), Philip Lord (Head Boy), Drew Narbey-Nimeti (Eveleigh House Leader), Rhiannon Magee (Head Girl), Kiso Eti (Kedgley House Leader), Nicki Hayes (Brown House Leader), Grayson Fortis (Hotson House Leader), Kate Russell (Sports Council Student Rep).

Tēnā koutou te hunga rangatira nō nāianeī, hei āpopo he hunga oroko-rangatira.

Greetings, today's leaders and the creators of tomorrow's leaders.

Ngā mihi nui o te tau hou ki a koutou ngā whānau o tenei kura, special greetings of the new year to you all, the families of our school. The holiday period has come to its inevitable end although the heat in our sun remains strong and committed to a few more weeks yet of summer. Pastures remain dry, students are hot and a return to work has busied us all; life moves quickly into the new academic year. The growth of the season is echoed in the continued healthy growth of our College our wonderful community of students, staff and whānau. As I watch 2015 manifest, I am so grateful for our diverse and positive community.

Our school has opened with our roll numbers being approximately twenty-five above that predicted by the Ministry. This is a healthy sign once again for our College and we celebrate this positive trend. Enrolments continue to be received at this time, so if there is anyone still wishing to enrol their child this needs to be done with some haste to enable us to finalise staffing, classes and timetables. We have had some difficulty finalising these due to many late enrolments and confirmations. Despite the disruption we celebrate the reason for it and welcome all of our new students.

Naumai Haere mai, welcome to all our whānau, if you are new to our College, we send you a particularly warm greeting. The newsletters we write are designed to communicate with and inform you all of the College happenings and to give you as much notice as we can for coming events. My letter to you in our newsletter touches on some of the highlights since the last newsletter. There is much more detail in the pages that follow my article. Newsletters are sent home approximately every three weeks. Should you wish to receive them electronically please inform the office of your address. Our kura/school strives to create and maintain a true partnership and we embrace the opportunity to discuss any questions you may have. We

encourage you to read these newsletters; you will find that they contain lots of details about times and dates for a range of activities, including sporting dates. Should anything be unclear we invite you to phone the College and ask for information to be clarified.

Our school whānau was again honoured and privileged to have a number of our kaumatua attend our kura/school for Teacher Only Day. What a wonderful honour they grant our College and its people, the richness of the cultural life that they share with us is a treasure/taonga that we greatly value and humbly appreciate. As always we are thankful; Ngā mihi nui ki a koutou mo tenei tautoko, thank you for this support.

Our College staff for 2015 has changed a little from those who taught here in 2014. We farewelled Mr Wayne Lupton. We thank him for his teaching service to our students and in particular we thank him for his valued input into the training of the College 1st XV and wish him well. We also farewelled Mrs Carol Fleming who had served our College very capably in the role of Finance Support. We thank her for her total support of our College and wish her well in her future endeavours. It is our pleasure to welcome Mr Noel Reid to our staff in his Teacher Support role. Noel brings a diverse range of gifts and talents to share with our students and we wish him a wonderful first year in our College. We also welcome back Leanne Lovell into a Teacher Support role after nearly a year's absence; it is great to have her back in the team.

The first two weeks of the College year have been busy. The school year opened with a pōwhiri on our first day and a full school assembly the next day. It was very apparent at that first assembly that the growing numbers of students enrolling in our school push the capacity of our assembly hall to near overflowing; a very welcome sight! All students now have their timetables confirmed, have attended all their different classes, met all their teachers and should by now be fully engaged in their learning in the kura.

The NCEA results for 2014 are out. We are incredibly proud and excited to report another excellent set of student results in NCEA. The 2014 results show a continuation of the upward trend seen over the last few years. This is testament to the dedication and hard work of staff and students. As a school we made a decision two years ago to no longer compare our academic results to other school of our decile, which is now 4, but instead to compare our results against all schools in New Zealand. Consequently when we publish any graphs of our student achievement data we are comparing the national average for all schools to our own achievement rates. We continue to adhere to this decision as our goal is to be measured against all the schools of this land as indeed our students need to be able to compete and participate with all other learners of Aotearoa.

The achievement at both Level 1 and Level 2 NCEA has pleasingly continued to increase. A stand out result is Māori achievement at Level 1 NCEA which is 83% compared to a 71% pass rate for Level 1 NCEA Māori students in New Zealand regardless of decile. The achievement of male students at Level 1 NCEA is 90% which is significantly higher than the National figure of 79%. NCEA Certificate Endorsements at Level 2 NCEA in 2014 have tripled from the previous year. NCEA Course Endorsements at Level 2 NCEA have improved significantly. Merit Endorsements have increased from 11 in 2013 to 22 in 2014 while Excellence Endorsements have increased from 1 in 2013 to 7 in 2014. The number of Merit and Excellence Endorsed Course and Level certificates awarded to our students was a resounding 87; a wonderful result.

I would like to take this opportunity on behalf of the staff and Board of Trustees to congratulate all our students/taura for their achievement in their NCEA assessments. Well done for your work and commitment, you deserve your results. Within this message I also wish to acknowledge the many students who not only passed their exams, but achieved those National Endorsements of Merit and Excellence. These fantastic statistics of achievement are a wonderful credit to the work and commitment of

our students and staff. Specific credits and more details overall of NCEA results are recorded in detail elsewhere in this newsletter. We held a special assembly yesterday to acknowledge these credits and achievements. This same assembly was the one where the whole College joined to watch the most honoured of moments when the families of our 15 most senior student leaders and counsellors were presented with their badges of office by members of their own whānau/ family. How humbling it was for us all to watch these magic moments of young leaders and family together celebrating and acknowledging the mana of their new leadership roles and the obligations which go with them.

This whole-school assembly was another of the occasions we have witnessed in recent times which honours not only those who are acknowledged by name on the stage, but also honours all of us who are lucky enough to attend and participate. The ceremony began with a karanga calling our new Student Leaders of the College and their families to enter the hall and be seated at the front of our students. Uncle Sol opened the ceremony with a karakia and we all stood to sing our national anthem. The badges of office, with the names of our new Student Leaders upon them, were then blessed by Uncle Sol. As each student had their name called, their chosen family member stepped forward and pinned their badge to their Leadership uniform and they took their place on the stage. Following the culmination of this ceremony the Student Leaders were then presented to their student body and a haka tautoko took place. What a wonderful privilege it is to have our kaumatua Uncle Sol and Auntie Ella not only attend these occasions, but participate so graciously in supporting the kaupapa and honouring the occasion. We thank them sincerely and warmly for their constant support of our College and the amount of time and energy they give so unselfishly to all our students, whānau and staff. Ngā mihi nui ki a korua.

Also honoured at this assembly were the students who achieved endorsements in subjects and also certificate endorsements for NCEA in the 2014 academic year.

We have had substantial increases in the number of students achieving these honours and it was a privilege to see them also called to the stage and honoured by their fellow students, staff and the families present. We look forward to the students witnessing these achievements working hard in 2015 to emulate the success of their fellows.

We continue to extend our Student Wellbeing Services within our kura. Mrs Russell is the Senior Manager Of Student Wellbeing and can be contacted at the school if you have concerns for your child. The support services available here at our College for you and your child to access are all listed on the College's website which we encourage you all to look at and give us feedback on. For a small kura we believe that we have a strong wraparound service, the korowai manaaki for our young people. We have a doctor, physiotherapist, counsellors for personal, academic and pathways concerns, Substance and Anger Management Counsellors, Mrs Anne Green is our on-campus Public Health Nurse and we also have Deans at all levels. The Gateway and Pathways Centres provide guidance to our young searching for a strong work based or study future. We have a Kaiarahi to cast her special eye over the wellbeing and course selection of our rangatahi Māori. We have programmes operating in our school focused on Restorative Practices, Resiliency and Positive Behaviour For Learning. We are committed to providing a culture of care for our tauira/students.

The NZQA office continues to provide pastoral and academic support and the effective management of Learning Pathways/NCEA. This is the responsibility of Mrs Lyndsay Kurth, Deputy Principal Learning. Parents and students are encouraged to make use of these services when they need to. Please ring the College for an appointment.

Our College Hostel "Kaianga Rua" has opened its doors this year with a roll of 56 students meaning the facility is near full. A waiting list exists for some age groups at this time. It is awesome to see our Hostel being the first choice for so many students from our wider community

and outside of our area; truly a testimony to the positive and supportive culture which thrives within its walls.

We have a number of property projects underway and it is pleasing that the College's newly renovated and remodelled Gymnasium is now fully operational for the year ahead. The renovation and remodelling of the boys toilets in A Block is now underway and expected to be completed in the next two weeks. A \$400,000 upgrade of roofing scheduled for Terms One and Two this year commences in the next fortnight and there is a new cricket pitch which should be finished by next week. A special thanks goes to Lorraine Fox and her team of helpers for this great effort.

Thank you to all those who have already arranged to pay their fees and/or school donation to the College. As you will have seen on the news of late, schools do rely heavily on these payments to offset increasing costs and enhance the provision of rich and effective learning experiences to our young ones. We are happy to arrange part payments for families, and/or to set up automatic payments if this is more convenient. We thank you in grateful anticipation.

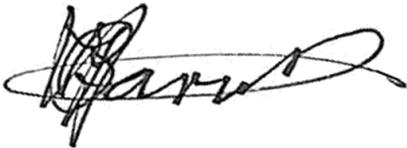

As the new academic year begins, there are many exciting experiences awaiting our/your young ones. We encourage everyone to step up and take advantage of opportunities offered within our College. 2015 will mean hard work, assessment and challenge. It will mean playing sport, facing new learning and taking up the opportunity to participate in trips to places and experiences new; we encourage everyone to seize the moment and try everything to the best of their ability.

If you have any queries regarding your child's progress, please ring the College and ask to speak with their Dean. Appointments are easy to make and always valuable. The College is again making attendance an area of priority, believing strongly that students who attend well generally achieve well too.

Accordingly, if your child's attendance gives concern, you will hear from one of us here in the College.

Have a great next few weeks and please keep in touch! Keep an eye and ear out too for the swimming and athletics sports, not to mention the inter-house power pulling competitions. You are most welcome to join us at any of these events, even if your child suggests otherwise!

Nō reira, noho ora mai rā/so look after yourself

Tumuaki/Principal

BYOD – (Bring Your Own Device)

With the constant improvement in technology, learning with a device is becoming part of daily life both at work and in education. At Ōtorohanga College we have been developing our systems to cope with everyone being at school with their own device for learning (by February 2016).

In 2013 we had what was called a SNUP (System Network Upgrade Programme) that installed new cabling throughout the school to cope with the anticipated Fibre Optic Cable being “rolled out” throughout New Zealand. In 2014 the Fibre Cable was connected to our Network and more Wireless Devices were set up to improve connectivity throughout our kura. At this time we noticed a huge increase in the number of students choosing to bring their own devices and use them effectively in the classroom. Approximately one third of the students had their own device by the end of last year. In 2015 we are moving toward increased web based learning with all teachers involved in a comprehensive professional development programme. Throughout this year we know that with more devices being bought to be used alongside those already provided by the school a significantly increasing number of lessons will be delivered in a web based environment. Some subject areas such as Physed, Wood and Fabric will have a more limited use of devices during a normal class period.

NCEA Update 2014

We are incredibly proud and excited to report another excellent set of student results in NCEA. The 2014 results show a continuation of the upward trend seen over the last few years. This is testament to the dedication and hard work of staff and students.

The achievement at both Level 1 and Level 2 NCEA has pleasingly continued to increase.

A stand out result is Māori achievement at Level 1 NCEA which is 83% compared to a 71% pass rate for Level 1 NCEA Māori students in New Zealand regardless of decile.

The achievement of male students at Level 1 NCEA is 90% which is significantly higher than the National figure of 79%.

NCEA Certificate Endorsements at Level 2 NCEA in 2014 have tripled from the previous year.

NCEA Course Endorsements at Level 2 NCEA have improved significantly. Merit Endorsements have increased from 11 in 2013 to 22 in 2014 while Excellence Endorsements have increased from 1 in 2013 to 7 in 2014.

NCEA Certificate Endorsement 2014 When students perform consistently above the 'Achievement' level, their result(s) can be endorsed to reflect that high achievement. If a student gains 50 credits at Excellence, their NCEA Certificate will be endorsed with Excellence. Likewise, if a student gains 50 credits at Merit or Merit and Excellence, their NCEA Certificate will be endorsed with Merit.

| 20 | 7 | 22 | 7 | 7 | 3 |

NCEA Course Endorsement

Course Endorsement provides recognition for a student who has performed exceptionally well in an individual course. Students will gain an endorsement for a course if, in a single year, they achieve 14 or more credits at Merit or Excellence and at least 3 of these credits are from externally assessed standards and 3 credits from internally assessed standards.

Year 13 Biology Trip December 2014

After their exams finished last year, the year 13 Biology Class (and three Year 12 boys) went on a trip to Queenstown. For some students their first plane trip involved flying over the Southern Alps in all their splendour.

We have to thank Brandon Wright for his incredible organisation of this trip. The highlights included Queenstown, Skippers Canyon and a trip to Fiordland with a cruise on Milford Sound which included a visit to the underwater observatory.

Fiordland has over eight metres of rain per annum and it rains two out of every three days. We had two days of sunshine and incredible views!

NOTICE BOARD

STUDENT ID

Students can pick up Student ID Card Envelopes from today on from the front office. Please return to the front office if you wish to order an ID card. Identification cards are \$8.50. These photos will be taken on Thursday 12th March. Orders are due before this day. If orders come in after the due date there is a significant delay to receiving these.

GirlGuiding New Zealand

The Waipa Waitomo District of GirlGuiding New Zealand is selling Girl Guide biscuits again this year.

March is Biscuit month for the whole of New Zealand and all Girls, their parents and Leaders will be out in force selling biscuits.

Please help us to make sure everyone has the opportunity to buy some biscuits this year.

There will be stalls at The Warehouse, Paksave, Fresh Choice, Mega Mitre 10, Bunnings, Z Service Station, Scout and Guide Hall, Twilight Market on Thursday nights, Priongia main street,

Kihikihi main street (the meat market)

Westpac Bank and carpark market.

If you are unable to get to one or two of these places please fill in a pre order form and/or contact

Nicole Joyce 07 871 8895 02102271464 for a form and information

Or waipawaitomogirlguiding@gmail.com

If you have a daughter or know someone who would like to join or know more about GirlGuiding please contact waipawaitomogirlguiding@gmail.com.

"FOR A DONATION OF \$3.50 YOU CAN GET A FREE PACKET OF BISCUITS."

A big thanks to The Big Apple who has fed us so well over the last 2 years. They have chosen to focus on their main business from now on and will complete their service with us on Friday the 20th of February.

On Monday the 23rd of February Marlene Newlands, who is already well known in the district for her catering in the Ōtorohanga District, will be taking over the contract to provide us with great kai.

More information about the changes will be coming over the next two weeks.

Coaches, Managers and umpires are still required for netball (it looks like we will have six teams again), if you would like to be involved please contact Tanchia Pitts-Brown at the College.

Parent Portal

In 2015 Ōtorohanga College is introducing a system which enables parents/caregivers to be able to track their child's progress in a number of ways including live attendance information and academic achievement.

Parents/caregivers will be able to see the following data:

- Personal Details
- Timetable
- Attendance
- NCEA Summary
- NCEA Current Year Results
- NCEA All Results
- Fees

If you would like to take advantage of this initiative all you need to do is follow the three steps below after you receive a letter from the College about the Parent Portal via the post in March 2015. The letter will state what your unique username and password is as well as when the Portal can start being used.

1. Enter the web address www.otocoll.school.nz into the address bar
2. Click on Parent Portal
3. To obtain information about your child enter the unique username and password at the login section

Lyndsay Kurth
Deputy Principal, Learning

MUSIC LESSONS

We are fortunate to be able to offer music lessons to all students in the following instruments:

- vocals
- drums
- guitar
- bass guitar
- saxophone, flute, clarinet, trumpet, trombone

Lessons are available to all students, whether they are taking music as a subject or not. There are many options such as hiring instruments or using school instruments at intervals and lunchtimes to practice. Please see Mrs Raine for further information or if you have any questions or contact her via email at raine@otocoll.school.nz

CURRENT AND UPCOMING PROPERTY IMPROVEMENTS

Boys Toilet Upgrade

While the timing could have certainly been better - 2nd of February, first day of the year for year's 9 & 13 - the upgrade of the Boys toilets has begun. Compared to other projects of recent years, this should be a relatively quick to complete and we have been informed that by early March they will be back in use. We will wait and see. The Boys are meanwhile using the facilities in B Block.

Roofing

As the result of an inspection 18 months ago it was identified that all roofing in the school is due for replacement. There is a huge cost attached to this exercise and will take up most of the school building funding over the next 10 years. The priority buildings are E Block, A Block and the Hall and contractors are expected to commence in the next 3 months. Again the timing could have been better.

PATHWAYS CENTRE – Where is Michael now?

Michael Montgomery was Head Boy of Ōtorohanga College in 2006. He was the first in his family to attend Ōtorohanga College, his younger brother Ayden and sister Sashtree followed and his youngest sister Kymba has begun her journey here this year. Michael enjoyed his time at the College and took advantage of every opportunity offered while here. Little did he know when he decided to join the NAVY 8 years ago that he would be aboard Her Majesty's New Zealand Ship (HMNZS) TE KAHA to participate in the 100th anniversary of the Gallipoli landings in Turkey. On ANZAC Day they will be anchored at ANZAC Cove with ships from the Australian, British and Turkish Navies. Yesterday he returned to visit us before he heads off overseas.

Michael leaves Devonport Naval Base on 16th February and will return on 2nd August 2015. TE KAHA will journey around Australia, across the Indian Ocean, up into the Mediterranean Sea and back again. They will visit seven different countries/territories working alongside many other Navies. Countries include: Australia, Diego Garcia, Greece, Turkey, Djibouti, Oman or Tanzania and India. While visiting these countries the ship will be providing support to the local New Zealand Embassy or Consulate to help promote New Zealand's regional trade and economic development interests.

TE KAHA will cross the Indian Ocean and pass through the Suez Canal into the eastern Mediterranean. They will be with Her Majesty's Australian Ship ANZAC (also a Frigate) for most of this deployment. They visit Crete, Greece before proceeding to Turkey for ANZAC Day.

At the conclusion of these celebrations TE KAHA begins its journey home carrying out Maritime Security Operations in a number of places.

Michael feels honoured to be given this opportunity and despite being away from his whānau and friends for so long, he is looking forward to this deployment. It's a lifestyle you get used to—being away from whanau and friends, but also travelling to many different places.

Gateway February 2015

2015 opens as a promising year for the Gateway Programme. We have guaranteed funding from the Tertiary Education Commission to support 40 students in structured, hands on, work placements where a specific learning plan can be developed for each student. The learning plans lead to Industry Training Organisation qualifications, national certificates, and NCEA qualifications.

With only two weeks under our belt students have so far expressed interest in: tourism, dry-stock farming, dairy farming, goat farming, nursing, medicine, outdoor adventure education, mechanics, cookery, law, and engineering. More ideas will come in from students as they engage with their school year and think about exploring potential career pathways through the Gateway facility. As always, the success of Gateway is entirely dependent on the goodwill of the employer and business community. We are fortunate to have a switched on and committed community of families and employers in Ōtorohanga.

On Tuesday this week we began a new Gateway programme, Taketake Whakairo, with Mitch Hughes and Daniel Ormsby at the Red Shed in Waitomo Caves village. This offers students a eight day programme over eight weeks, where they are immersed in the fundamentals of Māori carving art design. Eight delighted students completed their first day, having worked intensely under masterful tutelage from both Dan and Mitch. This multi layered programme has been developed by Dan and Mitch from scratch specifically for our students, and promises to unfold in a purposeful, skilful and inspirational way.

Hostel

Firstly a belated happy New Year wish to one and all and long may we continue to enjoy many more. It is a great pleasure to be once again sharing the experiences, endeavours and fortunes of the Hostel, Falloon House - Kāinga Rua with you our community and especially given that the Hostel, in 2015, is once again full to capacity.

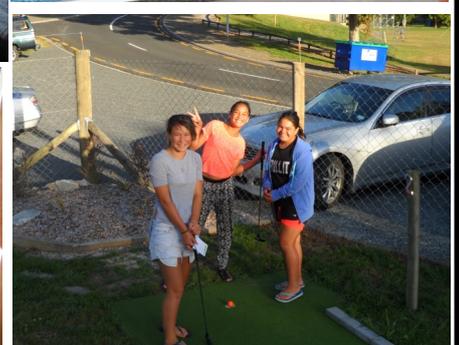

We wish to take the opportunity to acknowledge Mr. Tira Porima and Miss Chey Willison, and their respective families, on being appointed to the prestigious titles of Hostel Head Students for 2015. Their example and achievement remains a significant catalyst in the upsurge in enrolment enquiries, applications and subsequent continued Hostel roll growth this year.

The beginning of any New Year is always one of our favourite times of year for with the New Year cometh new students, cometh new hopes, cometh new dreams and cometh new aspirations together with a tremendous amount of enthusiasm, youthful wonderment and naivety. A combination that always allows new students the wonderful predisposition of having no concept of the imagined, as mostly is the case – real or otherwise, fears and foibles some of their tuākana allow themselves to be restricted by. The new students have adapted especially well to their new digs and have laid down the gauntlet. Their success nothing short of remarkable and absolutely well deserved. The aforementioned, the realisation of a full to capacity Hostel roll, made possible by the fantastic commitment, courage and loyalty of those wonderful families who continue to support and endorse the College by choosing to enrol their ‘children’ in Ōtorohanga College and therefore its Hostel Falloon House – Kaainga-Rua.

Our settled hostel and therefore good fortune, I am certain, comes down to some hard work and some key attributes. Firstly, the Hostel is extremely fortunate to be able to maintain its present staff numbers for between our staff is in-excess of 30 years of collective Falloon House knowledge, understanding and expertise, all at our residents finger tips, an invaluable resource indeed. Add to this the deliberate targeting of a vast proportion of after school time, in the first few initial days and weeks, where we endeavoured to engender and enhance some key values, expectations and knowledge including Trust, Integrity, Whanaungatanga, Kotahitanga and Aroha through a variety of team building exercises and activities. Lastly the inclusion of and demand for 100% participation in a variety of group and team building activities where the main goals are getting to know one another, getting along with one another, and developing bonds with one another— becoming a *whānau*/family.

SPORTS CORNER

PROUD TO SUPPORT OUR LOCAL COMMUNITIES

Welcome back everyone and a special greeting to our new students and their whānau. 2015 is going to be an exciting year with ICC Cricket World Cup and U20s Soccer World Cup at our doorstep and of course the Rugby World Cup. By now some of you would have already received information regarding upcoming sports events. Term One has always been and will continue to be crammed packed with sports events. Some weeks we may even be competing twice because we want our students to have every opportunity available.

For our new families we have our Ōtorohanga College Sports Facebook. We have found this a great tool for communicating to both whanau and students. To join our group go to our page <https://www.facebook.com/OtorohangaCollegeSports> and press "Like" it's that easy to stay in touch. Other forms of communication will be permission slips sent home and our school newsletter. If you do prefer correspondence by email please contact us on sports@otocoll.school.nz

I would like to thank the Ōtorohanga College Sports Council for their generous Year 8 Sports Grant for primary schools within our catchment. Some schools were not able to take advantage of this grant as they didn't have any candidates last year, but hopefully they will this year. Congratulations to our following recipients.

From left to right:

- Taurahere Trent – Waitomo Caves School
- Dylan Toa – Otewa School
- Caitlyn Morrison – Kio Kio School
- Jessica Russell – Ōtorohanga South School
- Libby White – Maihihi School

Congratulations to all these students, what a great start to your College life.

| | What sport do you like to play? | What do you like about sport? | What new sports would you like to play? | What are your goals for 2015? |
|-----------|--|--|---|--|
| Taurahere | Touch, Rugby, Basketball, Ki o Rahi, Soccer, Rippa | Keeping active, having fun at everything I do | Anything and everything | My goal is to pursuit for excellence, meaning I want to play hard to get into rep teams either for Ōtorohanga College or higher. |
| Dylan | Rugby mainly | Being physical, getting fit | Sevens Rugby, Touch | Play rugby. Try to make the KC U14s rep team this year. |
| Caitlyn | Netball, Swimming, Running, Touch, Soccer, Basketball | It's fun and keeps me fit. You can also make lots of new friends and play as a team. | Soccer | To get into a netball team and trial for reps. |
| Jessica | Netball, Swimming, Cricket, Basketball, Surf life saving | The thrill it gives me, meeting new people at different sports and it's extremely fun. | Sevens Rugby | I would like to hopefully break some swimming records. Compete in another Triathlon and at the Surfing Nationals. My aim is to give it 100% at any sport I do. |
| Libby | Netball, Touch, Cricket, Soccer | It's a time to be competitive and you get to try new things. | Rugby Sevens, Gymnastics, Hockey | To make it in all the sports I try out for and succeed to the best of my ability. |

We have a very hectic calendar ahead of us. Coaches are still needed as we plan ahead for our winter codes. Please.....if you think you can help in anyway please contact us the college or email sports@otocoll.school.nz or call Mrs Pitts-Brown, Sports Coordinator.

Our Sports Calendar 2015 at a glance.....

| February | | | |
|-------------------------|---|----------------------------|--|
| Date | Event | Location | Game information |
| Tues 14 th | Girls Cricket | Draw TBA | Fees dependant on draw. Mr Russell & Mr Robinson are our coaches. |
| Fri 20 th | Swimming | Ōtorohanga Pools | We need parents to help with timing please |
| Mon 23 rd | WSS Touch Term 1 (6 week module) | Steedon Park, Hamilton | Fees are \$30 per player |
| Thurs 26 th | KC Swimming | Taumarunui High School | More information to come |
| Friday 27 th | Athletics | Ōtorohanga College | We will need helpers for the day please |
| March | | | |
| Tues 3 rd | Waitomo Basketball Year 9 & 10s (5 week module) | Te Kuiti – Waitomo Stadium | We have a Jnr Boys coach but need a Jnr Girls coach, parents are needed to help transport players please. |
| Wed 4 th | WSS Ki O Rahi | Ngaruawahia | More information to come |
| Wed 4 th | WSS Individual Triathlon | Lake Karapiro | As we have 2 events on the same date we will need a parent to help transport any students wishing to compete |
| Sat 14 th | WBOP Athletics | | Parents will need to transport their children should they qualify |
| Tues 17 th | WSS Teams Triathlon | Lake Karapiro | More information to come |
| Tues 17 th | WSS Tennis | Hamilton | Parents will need to transport their children to this event |
| Sat 21 st | Taupo nui 7s U14, U16s & Girls teams | Taupo nui School | Coaches have been confirmed for this event. More information to come. |
| April | | | |
| Wed 1 st | WSS Swimming | Te Rapa Pools, Hamilton | More information to come. |
| Wed 1 st | McQuilkin Cup & Girls 7s | Ōtorohanga | We are hosting this event. More information to come |
| Sun 19 th | SS Monday Night Netball League | Hamilton Courts | Trials only, games will commence 4/5/2015 |

If any student is seeking information about an event please Mrs Pitts-Brown, Sports Coordinator.

SPORTS TRAINING SHIRTS - The Sports Council have managed to secure sports teams training shirts at a reasonable cost. They will be maroon and gold (our school colours) with our Ōtorohanga College Crest and Ōtorohanga College underneath. Students can have their surname only printed on the back included in this cost. This will mean all sports teams will have the same training / warm up tops and students can use them for more than one code. They can be used for PE and we would see these used for tournament week as well. They are not part of the official school uniform and are for sport only. Cost is \$26.00 - Further details will be given regarding sizes, ordering and prepay instructions to all sports teams.

Swimming:

First off the ranks Friday 20th February.

Students are to enter during Whānau Group

Junior under 14 as at 1st Jan 2015

Intermediate under 16 as at 1st Jan 2015

Senior over 16 as at 1st Jan 2015

Students can enter both championship events in the morning program and the novelty events in the afternoon.

Students need to enter at least 3 events. (Both championship and novelty are included in this)

Swimming Sports Champions will be awarded for each age group and gender. These champions are determined by points allocated for participation and placings in championship events.

NZ Pizza has generously sponsored our “Sports player of the month”.

Player nominations will need to be submitted each month through coaches from February - November. The winning player will be drawn from all nominations to receive a voucher for one large pizza of their choice.

Thank you to Amit Rathod for his support with this sponsorship.

Sports Fees: “PAY BEFORE PLAY”

Unfortunately, Sport is a costly activity no matter where you go. Affiliation fees, grounds, equipment, uniforms, and transport fees need to be paid for and we try our hardest to keep these fees as low as possible. Sport within our college is an extra-curricular activity therefore user must pay. The fees for 2015 are as follows per player:

Netball \$60 Rugby \$55 Soccer \$50 Hockey \$110
Basketball approx. \$30 -\$40 (Price to be confirmed)

This “**PAY BEFORE PLAY**” has been implemented by our College Sports Council as we have too many players not covering their fee which isn't fair on those students who have paid. We have also found that players are more committed to playing when they have paid their fees. If students haven't paid their fees they will not be issued a playing uniform.

For some families/whānau sports fees are expensive. Hopefully we are giving you early notice, so you are able to plan ahead for this expense. We do have a number of families who have arranged automatic payments to help with these fees. If you would like to take this option please contact our front office.

Cricket:

Flag Bearers at The ICC Cricket World Cup

Ōtorohanga College will have 10 flag bearers for the ICC Cricket World Cup day/night matches to be held at Seddon Park in Hamilton. We were one of two schools selected for this opportunity out of all schools in the Waikato. This means that New Zealand Cricket will provide the tickets for free to our students. The games will be played on the following dates:

Sunday 15 February – South Africa V Zimbabwe – Seddon Park – Day/Night Match

Tuesday 10 March – India v Ireland – Seddon Park – Day/Night Match

Friday 13 March – Bangladesh v New Zealand – Seddon Park – Day/Night Match

WHAT'S IN IT FOR PARTICIPANTS?

1. A once in a lifetime opportunity to be part of the ICC Cricket World Cup 2015 and gain access to field of play (under supervision).
2. A complimentary ticket and light meal (including drink) will be allocated to each participating child and accompanying adult
3. Children will be provided with a uniform consisting of a long sleeve shirt and trousers.

Congratulations to the following ten students for your selection:

Tori van der Heyden
Jessica Russell
Holly Carr-Paterson
Kate Russell
Alex Bell
Liam Fox
Josh Kenny
Jake Marcroft
Mitchell Dickson
Quinn Robinson

New Cricket Pitch for Ōtorohanga College:

Background Information

Cricket in Ōtorohanga is flourishing with a significant increase in the amount of cricket players and teams in Ōtorohanga. This term is the first time in many years we have been in the position of entering an Ōtorohanga College 1st X1 cricket team and a junior boys team in Saturday competitions in Hamilton. In addition, we have our Girls team which have a number of Waikato Valley representative players and one Northern Districts rep. As well as increased junior cricket teams, you may have also seen the recent positive developments for cricket in Ōtorohanga. For example; the winning of a \$5000 grant from ANZ to the Ōtorohanga Cricket Club, the building of a two lane practice nets down at Ōtorohanga Domain and Ōtorohanga cricket featuring on the current ANZ ad on TV.

Existing Pitch

The existing College pitch was ripped, worn and dangerous. Due to this, all current Ōtorohanga College teams have been playing their cricket at the domain. The pitch was in need of immediate replacement and as of Tuesday the 3rd of February work commenced. To pay for the pitch we will be receiving funds from The Ōtorohanga Junior Cricket Club, The Friends of Ōtorohanga College Sports Council and there have been some anonymous donations. As well as this there has been a raffle fundraiser set up. The new surface will provide a fantastic cricket facility for our cricketers.

Our Cricket Rep Players:

After a solid performance for the Waikato Valley Senior Secondary Schools Girls' Team in Tauranga late last year, Quinn Robinson was selected for the Northern Districts U15 Girls Team. This team played in the National U15 Girls Cricket Tournament in Wanganui in early January. Quinn's Northern Districts Team did very well and were unlucky not to make the final which was won by Auckland. In the play off for 3rd place, Quinn and her opening partner got ND off to a great start as they scored at over a run a ball in an opening partnership of 60 runs, as they chased You Tube sensation Amelia Kerr's Wellington sides score of 160. Unfortunately, ND were bowled out with only one run needed off the last two balls in an entertaining match. Quinn ended up the 8th best batswoman over the tournament out of the 72 girls, with an excellent average of 33 runs and at the end of tournament prizegiving she was awarded Northern Districts most improved player. Quinn, this weekend is representing the Waipa MTB Club at the National Cross Country Championships in Rotorua, a top 3 placing in the U17 grade would mean a possible selection in the New Zealand Junior Team for the Oceania Championship held in Wanaka in early March. This is Quinn's first year in this age group so it will be a tough step up for her from the U15 grade where she placed 4th last year.

Touch:

We have a number of enthusiastic players including coaches this year which has enabled us to enter a Junior Boys, Junior Girls and a Senior Mixed team into the Waikato Secondary Schools competition in Hamilton every Monday commencing 23rd Feb for a 6 week module. Thanks to our coaches Barry Ruki, Mr Wayne Robinson, parent supporters Sally van der Heyden, Wendy Te Aretoa and Mrs PB. Without parent support our students would not be able to play.

Our Junior Girls Touch Team has started training at lunchtimes as they look to defend last years top placing in the Term 1 Waikato Secondary Schools Competition held on Mondays in Hamilton. With a couple of Year 10 girls out with injuries, it would be great if some year 9s joined the team for this term and started to learn the set plays that were so successful last year. Parents/Caregivers if you know your girl has some ability in touch then please encourage them to come to training.

Mr Robinson

Basketball – Summer League:

Waitomo are responding to intermediate player's feedback and will be trialling a summer league competition in Te Kuiti. It is envisaged this competition will run on Tuesday from 3rd March for 5 weeks and is only open to Year 9 and Year 10 students at this stage. Mr Dale Downs has kindly offered to coach the junior boys, however, we will need a coach for our young ladies.

Rugby 7's

Our pre-season rugby always kicks off with Seven's hosted annually by Taupo-nui-a-tia. This one day tournament will be on Saturday 21st March. Mr Mark Pitts-Brown will be coaching the U14s, Mr Paul Kenny U16s, Miss Hayward and Mrs Pitts-Brown will be coaching the Girls team. Trainings will have already started for U16s this week and the other teams will commence trainings over the following weeks. Unfortunately, there will also be a registration fee for players which will be outlined in the permission slip sent home next week.

WSS Ki O Rahi:

This event will be held on Wed 4th March, trainings will be commencing soon as we hope to continue with our senior students from last year. We will have the opportunity to get our juniors involve at a later competition in Term 4.

Netball: A muster held on Wednesday saw approx. 57 girls put their names down to play netball this year.

Ōtorohanga College Athletic Sports Programme 2015

The following times are indicators - we don't want to get too far behind. Be listening for events called at the caravan. **Track events take priority over field events.** Check in with your field event official then move to your track event. You can complete your field event after your race. The day will begin with Whānau Groups and then House photos until 9am. Students will then make their way to events. This year you must have entered the event before the day.
